The Knowlton Loft is named after Austin Eldon Knowlton, born in Bellefontaine Ohio, 1909-2003, who was trained as an architect but spent most of his career in the construction industry as owner of Knowlton Construction Company, founded by his father in Bellefontaine in 1918, and at its height of construction season, the company employed nearly 1,000 people.

His company designed, financed and built more than 600 buildings in his lifetime across the country; and locally was responsible for the development of the original Mary Rutan Hospital, Rockwell International; Siemens; Logan County Home (now Logan Acres); Ohio Hi-Point JVS; Honda of America Manufacturing - Anna plant, and many more.

*Minor variances may exist on floor plan.
